

Research Progress & Application Prospects of High-Temperature Molten Salt Thermal Energy Storage Technology

高温熔盐储热技术研究进展及应用前景

Dr. Wenjin Ding 丁文进, Dr. Alexander Bonk, Dr. Thomas Bauer

Group of Thermal Systems for Fluids, Department of Thermal Process Technology

Institute of Engineering Thermodynamics, German Aerospace Center (DLR)

3rd China Thermal Energy Storage Conference, China

June 22-23th, 2021

Knowledge for Tomorrow
