

Molten Chloride Salt Thermal Energy Storage for Energy Transition

Dr. Wenjin Ding

Institute of Engineering Thermodynamics, German Aerospace Center (DLR), Stuttgart, Germany

Sino-European Forum in Low Carbon Emission and Energy-saving

Annual Conference of CIESC

27-29th, Nov. 2023, Guangzhou, China

Knowledge for Tomorrow

Contents

- **Introduction of German Aerospace Center (DLR)**
- Introduction of molten salt thermal energy storage (MS-TES)
- Challenges and R&D of next-generation MS-TES (chloride)
